# COMMERCIAL PROJECTS

Get your commercial fit out completed on time and on budget with Canterbury Builders Limited.

We have an extensive range of experience within the Canterbury commercial building scene for a variety of clients across different industries.

We efficiently handle your office fit-outs, retail and shop fit-outs, school refurbishments, childcare centre construction and medical centre fit-outs from concept design, through building consent to construction and compliance.

We take full responsibility for the fit-out process including:

- Carpentry detail
- Electrical work
- Data cabling
- Floor coverings
- HVAC Air Conditioning
- Fire Systems
- Painting
- Wall treatments
- Windows & Glazing
- Staircases & Balustrades
- Custom joinery
- Landscaping
- Project Management

We understand that time is of the essence for all businesses, so our office staff and project managers will work hard to ensure quotes are completed promptly, your questions are answered quickly and the work is completed within your time frame.

You can expect quality finishes as we partner with a network of proven contractors to ensure that every aspect of your project is taken care of to the highest of standards.

We hope you enjoy this small portfolio of some of our completed projects.
